

The Theological Forum exists to:

1. Provide a list of quality books to read.
2. Call Christians to a deeper theological understanding.
3. Sharpen one another through profitable discussion.

How does the Theological Forum work?

Pastor Dave and his wife Caryn have chosen twelve books, one for each month. The books were chosen based on 1). the author and their theology 2). recommendations from people we trust 3). an attempt to create a variety of content on the book list and 4). it's just something we want to read.

Everyone in the church is encouraged to read the book listed for the month. We hope that everyone will read the book regardless if they are able to meet with the discussion group or not.

On the first Tuesday of the following month, there will be a discussion group that meets to talk about the content of the book. If you read the book, started but couldn't finish or just read the title, you are more than welcome to attend the discussion.

"And so, from the day we heard, we have not ceased to pray for you, asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding..."

Colossians 1:9

**We meet the 1st Tuesday  
of each month at 6:30 PM.**

**There is no meeting  
scheduled for December.**

*"Give yourself unto reading. The man who never reads will never be read; he who never quotes will never be quoted. He who will not use the thoughts of other men's brains, proves that he has no brains of his own. You need to read."*

**CHARLES SPURGEON**

*"Remember that they are not the most learned, who read most — but those who read that which is most necessary and profitable. "*

**RICHARD BAXTER**

*"Let your reading be always select; and whatever you read, begin with seeking God's blessing on it."*

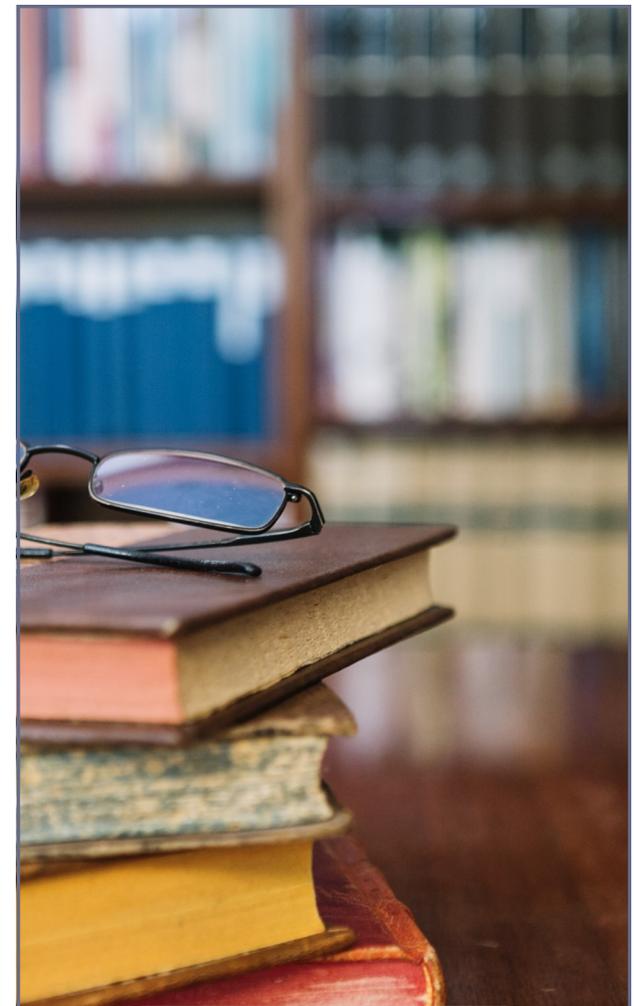

**HORATIUS BONAR**

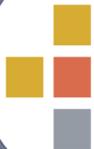

*"And, when you read, do not make your mind a mere reservoir, to hold the waters that are poured into it; but, when you read the thoughts which others have penned, think them over, and make them your own, if they are good, or mark their defects, and reject them, if they are bad. "*

**HARVEY NEWCOMB**

*"Reading is to the mind, what exercise is to the body."*
